## Membership Categories

1. **Family** – Family is broadly defined to include couples, couples with children, single parent with children, grandparents +2 grandkids, and aunts/uncles +2 nieces/nephews. A qualifying child is defined as college age and below.
2. **Individual** – Individual is defined as including only one person who is recognized as a member by WCC. An individual can be a recent high school/college grad or a senior or any age in between. To acknowledge that this plan is restricted to one individual while the Family and Business plans include multiple individuals, this plan offers the member 2 guest green fee passes per month. The guest passes can accumulate/carryover during the calendar year, but carryover from one year to the next is limited.
3. **Business** – A business, partnership, or corporation can join WCC as a business. The business can designate 2 executives/persons to be members under the business at the standard member rate and can add other executives at \$50/month rate per person. For example, if a business designated 5 executives, their monthly rate is \$249. A business membership does **not** entitle family members of an executive to membership benefits. If an executive wants his/her family to be members, they need to join as a family.

**After 12 months at the special new member rate of \$99/month,  
the dues will move to the standard rate of \$115/month.**
